

# Board of Directors: An Exciting Opportunity

Stevenson Memorial Hospital is a dynamic community hospital providing safe, quality care to residents of Southern Simcoe County.

The Hospital is seeking two (2) individuals, to fill one (1) year terms, from the Hospital's catchment area who are prepared to offer their time, energy and expertise to serve as volunteer Board members.

The Board, comprised of twelve (12) elected and seven (7) ex officio members, governs the affairs of the hospital and provides strategic leadership and oversight of operations subject to the Public Hospitals Act, Hospital By-laws and other requirements. The Board's composition reflects a mix of skills and experience required for operating a contemporary rural health care facility.

We are specifically looking for one (1) Director who has a background in Finance (CPA designation). For both positions, health care knowledge and experience is an asset but not an absolute requirement.

The Board members individually and collectively must be prepared to act in the best interest of the Hospital at all times and not in the interest of any party or issue that the Directors feel they represent. The Directors must be prepared to be stewards of the Hospital and abide by the rules of fiduciary conduct.

Prospective Directors require a commitment to the Hospital and community and should be aware of issues facing the hospital, the health care system and the Local Health Integration Network.

If you would like to be considered for a position on the Board, please send your name, address, phone number and a letter explaining your relevant experience and reasons why you would like to join Stevenson's Board of Directors to:

**Please submit your applications by Friday, March 3, 2017 to:**
