

**STEVENSON**  
MEMORIAL HOSPITAL

# Seeking a Chief of Staff

**S**tevenson Memorial Hospital is a vibrant community hospital 45 minutes from Toronto providing excellent, high quality health care services to a fast-growing population in New Tecumseth and serving the South Simcoe region. We have an ambitious plan for expansion of our Emergency, OR facilities, Lab and Diagnostic Imaging and refreshed Ambulatory clinics. We continually pursue innovative partnerships with primary care and other providers who share our vision: We champion your care ...every step of the way.

The hospital has recently achieved or exceeded all of our goals in accreditation, quality and performance indicators. The incoming Chief of Staff will be well positioned to guide and advise the Board in the implementation of its Strategic Direction. Our medical staff is engaged in advancing and expanding the programs and services we are able to provide.

Preference will be given to physicians who have demonstrated a commitment to collaborative leadership and practice. Our Chief of Staff will establish a strong clinical presence in the organization as a practitioner and will be an active member of the senior administrative team and Board of Directors. The successful candidate will present those qualities that show a balanced approach to innovation and effectiveness in the current environment of high quality, high value health care. The successful candidate must be a champion of Patient and Family Centered Care and promote a culture of continuous improvement.

We invite you to join us as we create the future of health care for our community. Please forward a letter of interest along with a CV to:
