J. Swinden welcomed the elected Directors only to the telephone Board meeting and advised that the sole purpose was to discuss the extension of the Management Services Agreement (MSA) between Stevenson Memorial Hospital and Southlake Regional Health Centre which expires June 30<sup>th</sup>.

J. Swinden advised that on June 19<sup>th</sup>, Alan Dresser, Annette Jones and himself met with Bruce Herridge, Board Chair; Jonathan Harris, Board Vice-Chair; and Dave Williams, CEO of Southlake. At this meeting, Southlake advised that it would like to extend to the MSA to December 31, 2013 and renegotiate the terms of the MSA to either define a new agreement or terminate the existing agreement.

J. Swinden referenced Southlake's letter dated June 7<sup>th</sup> (received on June 19<sup>th</sup>) confirming the above and then he provided an overview of the discussions that occurred at this meeting which were also outlined in his email to the Board (dated June 23<sup>rd</sup>) and which is included in the minutes.
